DOMESTIC SET

0801- 5 - 5" Domestic Set
0801-10 - 10" Domestic Set
0801-15 - 15" Domestic Set

- No more need to reskin body panels because of difficult style lines.
- Each stick may sand up to 120 different style lines. (60 per side).
- Each stick includes an illustrated positioning alignment guide, as featured on the right.
- **STYX** are lightweight and extremely durable.
- No more paint sticks or wooden dowels necessary.

FOREIGN SET

0802- 5 - 5" Foreign Set
0802-10 - 10" Foreign Set
0802-15 - 15" Foreign Set

- **STYX** are available in sets or individually in 5", 10" and 15" lengths for both domestic and foreign vehicle lines.
 - **STYX** sets include 6 styx, 8 pieces of **SUPER-FLEX®** sandpaper, 1 roller (sandpaper applicator) and 1 vehicle application guide booklet (sets are pictured above).
 - Each stick indicates vehicle manufacturer and model, with directional arrows for proper style line usage.
- example →
-
- For best results we recommend using Style-Line's extremely pliable cloth backed **SUPER-FLEX®** sandpaper which will not tear or crack when being applied to **STYX**.
 - **SUPER-FLEX®** sandpaper is available in 40, 60, 80 and 180 grit (adhesive backed only).
 - **SUPER-FLEX®** sandpaper lasts up to five times longer than ordinary sandpaper.

Vehicle Description Sheet

Vehicle Application Drawings

9. Indicates Styx part number
10. Indicates which side of Styx
11. Shows vehicle(s) body style line to be repaired (cross section view)
12. Shows proper positioning of Styx

- Each stick indicates vehicle manufacturer and model with directional arrows for proper usage. Due to limited print space on the sticks, only a few of the most popular vehicles appear on the stick itself. Other vehicles can be found in the guide booklet. (example below)
